## Every Home Needs This Great Remedy

No Home Can Afford to Be Without a Mild, Reliable Laxative-Tonic

No well-regulated home should be without a laxative, for there is scarcely a day in a family of several persons that someone doesn't complain of a headache, of sleeplessness, or show the first signs of a cold.

A laxative then becomes a necessity or what was a trifling congestion at the beginning may run into a serious cold or fever. No harsh remedy is needed, but simply a mild laxative-tonic that will make the liver active and stir up the bowels. People who have tried a great many things, and are themselves heads of families, who have seen the little his run to big ones, will tell you that there is nothing better than Dr. Caldwell's Syrup Pepsin, which you can obtain at any drug store, for fifty cents or one dollar a bottle, the latter being the family size.

Among the great believers in Syrup Pepsin for constipation in old or young, and as a general household emergency remedy, is Mrs. M. F. Smith, 710 N. Cherry St., San Antonio, Texas. To use her own words, she says she will bless Dr. Caldwell to her dying day for she believes that through his remedy, Syrup Pepsin, she found the way to permanent good health.

Dr. Caldwell's Syrup Pepsin is scientifically compounded and its purity

## Words From Home

Statements That May Be Investigated. Testimony of Bisbee Citizens.

When a Bisbee citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Bisbee resident. No stronger proof of merit can be had.

A. E. Crawford, School Hill, Bisbee, Ariz., says: "At one time I had severe pains in my back. Sharp twinges often caught me between my shoulders. This caused me much trouble and made my work very hard. Doan's Kidney Pills had been used in my family with such good results, I began taking them myself. They proved to be just what I needed. Soon my back was strong and I felt much better in every way."

For sale by all dealers. Price 50 cents. Foster-McLure Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.—Adv.

Also they expect to have throngs for their reputation for having a great deal that is new and worth while, traveled ahead of them from the State Fair.

is vouched for. Mothers give it to tiny babes, and grown people, taking a little larger amount, find it equally effective. It is mild and gentle, pleasant-tasting and free from griping.

It does not hide behind a high sounding name and is absolutely free from any prohibited ingredient. Families who once use Syrup Pepsin for ever after avoid cathartics, salts, pills and other harsh medicines, for these only do temporary good, are nauseous and a shock to any delicate system. Such things should never be given to children.

Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. B. Caldwell, 419 Washington St., Monticello, Ill. A postal card with your name and address on it will do.

## Don't Want Rain

Threats of rain the last few days have been disquieting to cattlemen and ranchers. They are hoping there will be no important precipitation, as rain at this time of the year is likely to do much more harm than good, inasmuch as it will start the grass anew and bring about its destruction with the first cold weather. Grass on the range now is dry, but it affords a fairly good feed and if not started to new life will carry through comfortably until spring grass comes.

"Pape's Diapepsin" Digests Food When Stomach Can't—Cures Indigestion

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach, so you can eat your favorite foods without fear.

You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapepsin any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.—Adv.
